

Ultra, Cowl and Hat.

Adult size (hat size from 57 to 59 cm of head size)

This set is particularly cozy and warm, indeed its method of manufacture: in intarsia it is "doubled" almost on the entire collar and hat. The use of gradient yarn for one or two threads makes it possible to find very personal and sparkling color combinations.

Then bind off all sts loosely. Tuck the threads, cut them flush, put the neck in shape: wash it gently and block it.
