

Plaisir

This triangular shawl is fully lacework with a first large part of identical and simple patterns for the body and a coordinated edge. It is available in 2 versions, one with the Semilla GOTS by BC Garn, to be worn in all seasons and a second in Geisha Plassard, a pretty bright silk bourrette, suitable for mild seasons.

In this pattern the explanations are given in writing, if you wish to do it by charts, they are available on the Facebook group "Tricote pas tout":

Material :

In Semilla GOTS : [5 balls of Semilla GOTS BC Garn](#) , circular needles 4mm.

VIn Geisha : [4 pelotes de Geisha Plassard](#) , circular needles 4mm.

For both versions: stitch markers, scissors, yarn or tapestry needle and [blocking material](#) .

Points and abbreviations :

st : stitch

k : knit

p : purl

Yo: Yarn over

D3 : Decrease centered: insert the second stitch on the left needle by passing your needle in front of the work in the middle of the stitch and following, pass the first stitch from the left needle to the right without knitting it. Put this first stitch back on the left needle and knit the two stitches on the left needle together. Then bind off the stitch that was sewn previously over the one just knitted.

There is a video for this « D3 » on ligne : <https://youtu.be/ir81ce5OcDI>

SKP :slip, knit, pass over.

SK2P:slip 1, knit 2 together , pass over.

K2tog : knit 2 stitches together.

R : row

* ... * knit all included stitches between * and * as many times as necessary to finish the row or arrive at the following indication.

(...) x ...: knit the pattern in parentheses as many times as indicated after the "x", then once done, move on to the rest of the row.

B: bubble or noppe: knit the stitch that appears once in the back loop, then, without letting the stitch pass on the right needle, purl the front loop of the stitch, and finally one last time knit the back loop of the stitch. We have gone from 1 to 3 stitches, which are now on the right needle. Turn the work over and purl the 3 stitches . Turn the work over and do an SK2P At the end there is therefore 1 stitch left and the noppe is formed.

Body of the shawl:

Cast on 3 stitches, knit 6 rows. At the end of this sixth row, rotate 90 ° clockwise, knit 3 stitches on the side of the foam bars, then turn again and knit 3 stitches in the cast-on row, so you have 9 stitches. see the video there (<https://youtu.be/KPLgjnGZef4>).

R1(right side row) :k2, Yo , k2, Yo, **k1**, Yo, k2, Yo, k2. (13st)

If you are using stitch markers, you can place one on each side of the central stitch (in red on row 1) to help you find your way around your work.

R2 and wrong side rows of the body of the shawl: knit 2, purl all the next stitches including the yarn overs from the previous row, and finish the row with knit 2.

Bind off :

-link to the explanatory video : <https://youtu.be/j9dJE-JxBZs>

The bind off row is done in i-cord, by proceeding as follows:

1- Knit the first stitch of your row 4 consecutive times without turning the piece and leave it on the right needle when done.

2- knit with the first 3 stitches on the left needle a D3.

3- on the right needle you now have a stitch from D3 and a stitch from i-cord. Bind off the stitch of the i-cord on D3, so you now have only one stitch on your right needle.

4- Knit 4 times the stitch you have on your right needle to make the i-cord.

5-Make a D3 with the first 3 stitches on the left needle, then bind off your stitch from the i-cord over the stitch from D3.

Then start again at point n ° 4 and do all the binding off in this way.

Bring in the threads. Washing and blocking the work, for this type of lace creation, it is essential to sublimate all this work. When it is dry and blocked, cut the threads short.
