

The visits of the museum lasted for 30 minutes. We saw paintings of bullfighting and we saw a banner, light outfits. The paintings of Bullfighting were worth about 3.000 pounds. I liked settings because the posters were beautiful. The artist of the painting was Goya. Anthony and Romain (EDPI) Alexandra and Laura (2BMMV)

Let's visit Beziers
!!!

(2EDPI+2MMV+2BU)

We went to Saint Jacques, to visit Biterois museum. We filled quiz in room, in the museum. We looked at many prey birds and antiques such as sculptures of characters and paintings. To finish we loved discovering the camel and the first child's car.

We went to the « Bitterois » museum situated in the centre of Beziers on Tuesday 18th of September. Our school teachers organized a visit in this museum. We saw sculptures and lots of painting. We solved riddles and we went back to Jean Moulin high school in the afternoon.

Carolane, tanguy and Francisco

We did a school trip at the bullfighting museum in the city center in Béziers. The school trip was organized by JEAN-MOULIN vocational high school on Tuesday 18th September.

We saw colourful suits of lights as well as paintings and photographs of famous bulls and bullfighters.

We also did a high school trip at the nine lock in Béziers. Our group was headed by Mrs Choquet, Mrs Brun, Mr Sanchis, Mr Missaoui and Mr Lopez. We saw the nine locks and we visited the museum of the nine locks, it was free.

The outing was held on Tuesday morning at the 9 locks. We watched the door lock open and the boat moving to the other side. The lock was built by Pierre Paul Riquet, who was born in Béziers. The lock is world ranked by UNESCO. It was an exciting day, interesting and very informative. Then, we went to eat at the park of poets. We liked the ducks.
