The hat :

Cast on 78 stitches with needles 5mm, knit in ribs 2/2 up to 10 cms in height.

On the right side of the work, begin to knit the fancy stitch and make one increase in the middle of this first row. You will finally have 79 stitches.

Keep on knitting with the fancy stitch up to 23.5 cms in height.

At this height, begin the decreases by knitting in stocking stitch:

Decrease 1: knit 2, then do 9 times (Knit 2 together, knit 6), finish with knit 2 together and knit 3.

Decrease 2: knit 2, then do 8 times (Knit 2 together, knit 5), finish with knit 2 together and knit 2.

Decrease 3: knit 2, then do 8 times (Knit 2 together, knit 4), finish with knit 2 together and knit 1.

Decrease 4: knit one and then, all the others: knit 2 together. Finish with knit 2.

Decrease 5 : knit 2 together.

After the fifth decrease, cut your thread so as to leave 50 cms for the sewing.

Cross the thread by means of the needle with wool in the remaining stitches, squeeze the top of the hat and fix it. Make the sewing by taking care to sew the part in ribs 2/2, so that it is not visible one time in position.
